# More gates and shorter lines promised at June 27 Whoopie Pie

DOVER-FOXCROFT - The Sweetest Day in Maine is coming right up and the Center Theatre, who produces the festival, is planning a day full of fun and excitement for festival-goers. One of the biggest changes this year is the addition of a second entrance gate near the Center Theatre to accommodate the ever-increasing attendance at the festival. "I'll be honest, we were a bit overwhelmed last year," said Patrick Myers, the Festival Coordinator. "We know there were at least 7,500 people in town, but we can't tell you exactly how many because we just don't know. What we do know is that the line to get into the Whoopie Pie Zone was way too long. Our gate system just couldn't accommodate all those people coming to get whoopie pies. So this year we're expanding dramatically thanks to the support from Dave's World and U.S. Cellular. They have stepped forward to sponsor a second gate closer to the Theatre which should solve the problem."

There will still be a gate between Pat's Pizza and Pastimes Pub sponsored by Bangor Savings Bank. "Bangor Savings Bank has been an amazing partner since the beginning of the festival," said Myers. Without their generous support and dozens of volunteers the festival would never have grown this large. "Things that won't change this year, according to Myers, are the thousands of whoopie pies, hundreds of vendors downtown, and fun activities for the whole family. "The Varney Agency Kids Zone will be in full swing again this year," Myers said. "With rides and games for kids of all ages. Thanks to the Piscataquis Chamber of Commerce the downtown will be packed with artists, crafters, food and fun and there are lots of other activities going on around town as well." The Maine Whoopie Pie Festival will be on Saturday, June 27th in Downtown Dover-

Foxcroft from 10am to 3pm with artists, crafters, games and rides in the Varney Agency Kid's Zone, family fun, and of course - tens of thousands of whoopie pies. Admission is \$5 with kids 12 and under free. The Maine Whoopie Pie Festival is a production of the

Center Theatre who would like to thank their lead sponsors Bangor Savings Bank, Dave's World and US Cellular, Oakhurst, Z107.3, Varney Agency, and The Eastern Gazette. More Information on the festival can be found at [www.MaineWhoopiePieFestival.com](http://www.MaineWhoopiePieFestival.com).

## Local businesses and organizations make the Festival a community event

DOVER-FOXCROFT - While the Maine Whoopie Pie Festival was created by the Center Theatre it has grown into an event that brings a large number of local businesses and organizations together for an event that celebrates the community. The Piscataquis Chamber of Commerce has taken management of the downtown area and always fills it with an exciting mix of vendors, artists, crafters, food, and entertainment. They are supported by all their members, an active board of directors and the Maine Credit Union League who is sponsoring the downtown festivities this year.

The Center Theatre also has nearly a hundred volunteers helping with the festival and a large group of committed sponsors. Lead sponsors of the Whoopie Pie Festival include Bangor Savings Bank, Dave's World and U.S. Cellular, The Eastern Gazette and Z107.3. Patrick Myers, Coordinator of the Festival, said there are many other local businesses involved. "Several other businesses have stepped up in a big way to support the festival. Wills Shop 'n Save is the official grocer or the Festival and is supplying whoopie pies and milk for the Whoopie Pie Eating Contest, the Freedom House Bed and Breakfast is offering a weekend stay in one of their wonderful one-bedroom suites in a contest available to anyone entering the festival. And of course, Varney Insurance Agency is hosting the Varney Agency Kid's Zone." Myers stated that the Kid's Zone has rides, games, and activities geared for kids and provided by a variety of groups including the Parkman 4H, Foxcroft Academy, Mayo EMS, and others. There is also a long list of local businesses who sponsor the Whoopie Pie Festival including Berg Activewear, Cavanaugh Law Office, Howard Insurance, Mallett Real Estate, Ride-out Seasonal Services, Rowell's Garage, Steinko & Caruso Dental Care, True Textiles, and True Value.

There are many other events going on around Dover-Foxcroft that festival goers can enjoy:

- The YMCA will hold their annual Earn Your Whoopie Pie 3K Run/Walk and 1K Kid's Fun Run at 8am at the Fire Station
- The Dover-Foxcroft Historical Society will hold their 2015 Summer Season Grand Opening
- The Dover-Gove Farmer's Market will be open at the Piscataquis Chamber of Commerce
- The Dover-Foxcroft Congregational Church will be holding their annual rummage sale
- Hooked on Fishing, Not on Drugs will offer free fishing at Kiwanis Park near the YMCA

On Sunday, the 28th Pine Tree Hospice will hold their Golf Open at the Foxcroft Golf Club.

All of this participation, Myers says, makes the Whoopie Pie Festival a true community event. "While the festival is a fundraiser for the Center Theatre, we're thrilled that so many other community groups and businesses can also benefit from all the visitors that come to town. I'm personally very proud to be able to host a party that shows off my home town to so many visitors." The Whoopie Pie Festival runs from 10 a.m. to 3 p.m. on Saturday the 27. # "Fix by Five" cat project

PISCATAQUIS - "Marian's Dream and Spay Maine" thank the Piscataquis County committee of the Maine Community Foundation for their grant of \$5000 to help county residents in need to fix their cats by 5 months for a co-pay of just \$5. The grant's purpose is three-fold: to provide a low-cost program to help people get their cats fixed before they have (or sire) a first litter and to make people aware that before 20 weeks of age is the best time

to spay or neuter cats/kittens. Preventing accidental litters from early heat cycles means that the shelters will not have too many cats and kittens to place in good homes. Fixed cats make better pets by preventing behavior problems - if the cats are fixed young enough, they will not develop behaviors brought on by hormones such as spraying and marking, roaming, yowling from heat cycles and fighting over mates. There are also health

benefits of Fixing by Five which include ensuring the cats will not get uterine infections and greatly reducing (91%) their chance of ever getting mammary gland tumors. And shelters will not be overrun with unwanted cats and kittens. Residents who think they may qualify should call Mary Shapleigh at 564-8092 for more information.

## Petals Plus Florist completes design seminar on wedding bouquets

CORINNA - Judy Richards, Petals Plus Florist, Corinna, recently completed the class entitled Wedding Professional hosted by Teleflora at its state of the art Education Center in Oklahoma City, Okla. Floral designers from all over North America attended the seminar to learn the latest trends and techniques in flowers for brides, attendants, and flowers to wear.

Richards participated in four days of intensive hands-on design sessions, mastering the latest shapes and forms of bouquets. The class also learned about how to care for premium flowers used in wedding work and how to make them last longer. Taught by successful retail florist, Susan Ayala AIFD PFCD of Riverside, CA the class focused on creating coordinated designs to make beautiful wedding memories. Each student was taught how to create a variety of designs for brides to carry and flowers to wear. Students were challenged to complete a series of projects during the class.

"Wedding flowers have always been about fashion and style," said Marie Ackerman, AIFD, Teleflora vice president of education. "It's important that every floral artist keep current with new mechanics and techniques to make a bride's dream come true."

Richards received a certificate of completion from the Teleflora Education Center, now in its 31st year of providing advanced floral education, in recognition of the advancements made during this intense hands-on design class.

# End of an Era for Theatre Drama Camp

DOVER-FOXCROFT - The Board of Directors and staff of the Center Theatre sadly announce the resignation of Jayne Lello as the Coordinator of the Center Theatre Children's Summer Drama Camp.

Founded in 1998, the Children's Summer Drama Camp was the first program created by the Center Theatre. Before the restoration of the downtown building had even begun, Drama Camp was already encouraging arts education in the region. As more educational opportunities have become available to the youth of Piscataquis County, Drama Camp has continued to flourish under Lello's knowledge and passion.

According to Patrick Myers, the Theatre's founding Executive Director, "Jayne Lello and the Children's Summer Drama Camp were cornerstones of the Center Theatre well before we turned the marquee back on. Both the Camp and the Center Theatre itself are a testament to Jayne's dedication and devotion to the positive impact the arts can have on children."

Now preparing for its 18th year, Drama Camp has been a place where numerous local and visiting children have spent their summers, many for multiple summers in row. It has been a place where children have been given a chance to learn, to grow and explore theatre in a safe environment. For some, it has changed their lives. According to Tammy Parker, whose daughter Rebecyn is a regular on the Center Theatre stage, "Center Theatre Drama Camp was Rebecyn's first theatrical experience six years ago. Not only has camp been a place where she can connect with friends each year, but a place where she can truly celebrate her love for theatre. When she was younger, it was an important place for her-it was an environment where she felt comfortable, and where she where she could be herself and learn to express her feelings in a positive way." Rebecyn, however, is more direct. "Drama Camp has completely changed my life!"

"It is hard enough to keep a theatre program running for just a couple of years," says previous Executive Director Angela Bonacasa, "and to have one that runs for almost two decades is a true testament to Jayne, her vision, and the people she has brought on board to teach with her. Although she is leaving in an official capacity, she will always be a part of Drama Camp. A positive and fun learning environment are hallmarks of Drama Camp, and Jayne's hand-picked replacement will keep those qualities while bringing her own special gifts to the mix."

The new Drama Camp Coordinator, Beth Dyer MacNeil, has been a life-long resident of Guilford. She graduated from the University of Maine at Machias in 2002 with a B.A. in History with a minor in American Studies, Women's Studies, and a concentration in secondary education. She has over 10 years in public education teaching children in a variety of subjects across ability levels. Beth utilizes her creative side by designing and publishing the Piscataquis Community High School yearbook, creating numerous parade floats for the Guilford River Festival, and photographing high school sporting and social events.

The two session dates are June 29 - July 10, and July 13 - 24. Camp runs 9 a.m. - 1 p.m. Monday - Friday, with a final performance at 6 p.m. at the Center Theatre on the final Friday of each session. Session one will be performing Peter Rabbit and will be directed by Bobby Keniston. Session two will perform Toby Tyler and will be directed by David Murray. There are still slots available for either session. For more information, please call the Center Theatre at 564-8943 or stop by the Theatre at 20 East Main Street, Dover-Foxcroft between the hours of 10 a.m. and 3 p.m. Monday through Friday. Visit the Center Theatre website at [www.CenterTheatre.org](http://www.CenterTheatre.org).

**NEWS IN EDUCATION****Michaela White receives MPA Principal's Award**

DEXTER - Michaela White, a senior at Dexter Regional High School, daughter of Mike & Shannon White, was selected to receive the 2015 Principal's Award. Principal Stephen Bell announced. The award, sponsored by the Maine Principal's Association, is given in recognition of a high school senior's academic achievement and citizenship.

Mr. Bell writes, "Michaela is an incredible young lady from a small rural community that truly has a chance to make a difference in the world. Michaela has already made her mark or made a difference in her own community. This past school year when one of her senior classmates was battling cancer and suffering through very painful Chemotherapy, Michaela and the Key Club led an effort to help support the student and his family. The effort ended up becoming a regional effort and schools and businesses from around the state contributed to this cause. In the end, Michaela and the key Club raised close to \$10,000 for this Family to put towards his medical bills and support the travel to Boston on a regular basis for treatment. Michaela will graduate as number one in her class and has been accepted into the University of Pennsylvania."

Due to a Key Club commitment Michaela was unable to attend an Honors Luncheon on April 5th at Spectacular Event Center in Bangor. She instead was presented her plaque at a school wide assembly.

The Principal's Award is presented in more than 100 Maine public and private high schools with member principals of the MPA, the professional association which represents Maine's school administrators.

## Milo Free Public Library update

by Rochelle Williams

**MILO** - We at the Milo Library have started preparing for the upcoming children's Summer Reading Program and the theme this year is, 'Every Hero Has A Story'. Sign up week is June 15th - 19th and the program is from June 22nd - July 24th. A volunteer has been helping with making posters and getting them to the local elementary schools, along with information for the parents about the program. We applied for and received a \$300 grant from the Samuel and Rose Rudman Trust. The fund has greatly helped towards the purchase of books related to the theme. I wish to thank our volunteer and the Maine Community Foundation.

Kathy's June theme pick is 'Wedding Bells'. This display features a variety of authors and titles that relate to weddings, of course. It is, after all, that time of year.

Ongoing Book Sale - There have been many more books added to our books for sale. Paperbacks are still 10 cents and hardbacks are 25 cents or five for a dollar. Who can beat that price? Some of the New Books that have arrived:
