THE MONSON HISTORICAL SOCIETY recently had extensive repairs made to the Hillside Cemetery in Monson thanks to the crew from the Charleston Correctional Facility. Crew Boss Leon Gerry and his men worked on 120 headstones which included straightening those that were tipping. They also repaired 68 which were broken, many of them from the 1800’s which were in multiple pieces. But one especially heartwarming stone was found buried under the soil. It was that of the 2 year old daughter of William and Mary Hughes. With no obvious base the men found a piece of slate in the woods and made a base, setting the headstone on it so she is now known and with her parents.
Simko stepping down as Greenville town manager

by Mike Lange

GREENVILLE – John Simko, who has served as Greenville’s town manager for 13 out of the last 16 years, is leaving on Sept. 2 for a position with Androscoggin Bank as a municipal loan officer and vice-president.

But he isn’t leaving the community, “My office is my laptop,” Simko said. “The new job is essentially a statewide position.”

I plan to stay in Greenville and remain on the fire department and as a per diem EMT.” Simko said that he was recruited for the banking position in a rather roundabout way. “I found out about the opening through an acquaintance in the legal field,” he explained.

Paul Soucie, a former Livermore Falls town manager, is the current Androscoggin Bank town manager for 13 out of the who has served as Greenville’s and vice-president.

“Personally, I feel the town of Greenville has benefitted greatly from John’s efforts over the years,” said Selectman Craig Watt, vice-chair of the board. “John has had a positive and lasting effect on everything from operations to economic development. He will be missed and I wish him the best of luck in his new endeavor.”

Selectman Geno Murray also praised Simko’s service to the town. “He is a very hardworking, dedicated individual that is committed to whatever he does,” Murray said. “We thank him for his work and wish him and his family all the best.”

“I’m giving 90 days’ notice because I hope the board can hire someone before I leave,” Simko said.

Simko is a Sebec native and graduate of Foxcroft Academy and Bowdoin College. Prior to joining the municipal staff in Greenville, he served as Dexter’s community development director and town manager of Sangerville.

He’s received numerous honors during his years of municipal service including the “Pete” Myrick Community Service Award from the Piscataquis County Economic Development Council, the “Rookie of the Year” award from the Maine Town and City Management Association and the EMT of the Year award from the Cecil R. Cole American Legion Post.

“Personally, I feel the town of Greenville has benefitted greatly from John’s efforts over the years,” said Selectman Craig Watt, vice-chair of the board. “John has had a positive and lasting effect on everything from operations to economic development. He will be missed and I wish him the best of luck in his new endeavor.”

Selectman Geno Murray also praised Simko’s service to the town. “He is a very hardworking, dedicated individual that is committed to whatever he does,” Murray said. “We thank him for his work and wish him and his family all the best.”
Cornerstone CEO to speak at Sangerville EDC meeting

SANGERVILLE – The Economic Development Committee of Sangerville will meet on Monday, June 13 in the town hall community room at 6:30 pm. Andrew H. Hinkley, Chief Executive Officer of Cornerstone Communications, will be the featured speaker. The committee discussed the assets and challenges facing Sangerville’s future economic development at its last meeting on May 9 and lack of widespread access to high-speed Internet service was cited as a major hurdle.

Hinkley has been at the forefront in bringing internet service to Piscataquis County “and the committee is anxious to learn how the community can improve its internet access,” according to a press release from the town office.

Other notable assets of the town are its recreation program, access to several bodies of water, health care access, and the quality of life.

The challenges were also enumerated and suggestions were made as to how the town can overcome, minimize, and eliminate these obstacles through community action.

All meetings of the Sangerville Economic Development Committee are open to everyone as there is no regular or appointed membership. Residents are urged to attend one, many, any or all meetings to informally discuss the future direction for the growth and development of the town to guide the Board of Selectmen over the next five years. Christian Rowell serves as committee chair and Diana Bowley is vice chair.

Future meetings will focus on the Piscataquis Chamber of Commerce and the Piscataquis County Economic Development Council and how they can work with Sangerville to strengthen its economy and business climate.

Anyone with questions can contact Town Manager Ken Woodbury at 876-2888.

ROAD TRIP SCAVENGER HUNT WINNER - James Santiago of Dover-Foxcroft was the winner of Maine Highlands FCU’s Road Trip Scavenger Hunt held during the month of May. The contest was held as part of the Credit Union’s year-long celebration of their 50th Anniversary. Members were encouraged to visit each of the Credit Union’s five offices and receive a different prize at each office. Then a winner was drawn from all who completed the journey within the month. CU employee, Tammy Creswell, who came up with the idea, presented James with a $100 gas card.

Dexter plans 4th of July parade, looking for participants

DEXTER - Since this year Dexter will be celebrating the 200th Anniversary of its incorporation, the Dexter 2016 Fourth of July Parade Committee would like to see that community spirit revived and have businesses, organizations and individuals join together to form a unique, fun and purely Dexter parade. It doesn’t have to be anything elaborate or complicated – your entry can ride in the back of a pickup, or dress up your kids and pets and have them march down Main Street. What kid wouldn’t love to be in a parade? As for the pets . . . dogs, pigs and goats might find it amusing – not so sure about cats.

Pam Rogers will be leading the parade on her prancing white steed in memory of Avis Shaw. The parade will step out at 9:30 AM from the Fire Station, travel down Church Street to Main, turn right on Main through downtown to the Credit Union, then turn left onto Lincoln and end at Factory One. It should finish by 10:30 AM, in plenty of time for you to enjoy any other activities you have planned.

Contact Liz or Tina at Abbott Memorial Library at 924-7292 if your business, organization or family would like to be in the parade.

TOWN OF DEXTER
200TH ANNIVERSARY CELEBRATION
COME ONE, COME ALL!

DHHS Dover-Foxcroft service delayed until July
by Mike Lange
DOVER-FOXCROFT – The planned startup of a monthly Department of Health and Human Services itinerant program in Dover-Foxcroft has been pushed back by one month, according to a department official.

DHHS Program Administrator Scott Cates said that the first regular monthly office hours will be on Thursday, July 7 from 8 a.m. – 4:30 p.m. at the Penquis CAP office.

“We were up there last week getting our (computer) system up and running, but had some technical issues,” he said. “We have most of them resolved now, but we felt it was much better to delay the service by a month to make sure everything is up to speed.”

A letter to three area lawmakers from DHHS Commissioner Mary Mayhew specialists stated that two DHHS workers would be on hand on the first Tuesday of the month for clients who need “face-to-face assistance … for applications, recertification and case maintenance related to the Supplemental Nutrition Assistance Program (food stamps), MaineCare, Temporary Assistance for Needy Families (TANF) and emergency assistance.”

However, Cates said that — to his knowledge — the schedule will be on the first Thursday of the month, not Tuesday. “There might have been some miscommunication on the day of the week, but we will be up there monthly,” he said.

The Maine Legislature passed a bill sponsored by Davis (R-Sangerville) to direct the Department of Health and Human Services (DHHS) to meet with Piscataquis County residents to address complaints about some of the department’s services. DHHS closed its local office 12 years ago and installed a computer kiosk at Penquis for clients to access services. But the system isn’t being utilized, according to Davis, because many senior citizens aren’t computer-savvy.

Mayhew also said that DHHS “will assess the value of the itinerant site to the community and the state and determine appropriate next steps.”

Reception immediately following
Brownfields grant earmarked for Derby rail yard

by Mike Lange

A $400,000 Environmental Protection Agency Brownfields grant awarded to the Piscataquis County Economic Development Corporation will go a long way toward the environmental assessment of the Derby railroad yard in Milo, according to PDEDC Economic Director Christopher Winstead.

“Half of the allocation is going to areas in the county believed to be affected by hazardous waste and the other half to petroleum-based sites,” Winstead said. “The Derby site is very important to us locally and we know that the new owners want to stay there.”

Winstead said that at least two other sites in the county are also being studied for assessment, but they’re still in the planning stages. “We’ll be working with local governments before we make a formal announcement.”

A Brownfield site is defined as property that contains a hazardous substance, pollutant, or contaminant which hinders the potential to reuse or redevelop the area.

The 105-acre Derby yard in Milo has been refurbishing rail cars since 1906 and seven out of 12 buildings on the site are currently being leased by Central Maine and Quebec Railway.

CMQR was formed two years ago when Fortress Investment Group purchased Montreal, Maine and Atlantic Railway’s assets at a bankruptcy auction.

A hazardous building materials inventory was conducted at the Derby yard by TRC – an environmental consulting firm – in November 2015 which indicated the potential presence of asbestos, lead-based coatings and items containing polychlorinated biphenyl (PCB) such as old fluorescent light ballasts and caulking.

The PCEDC grant was part of a $7.34 million allocation to the state.

Eastern Maine Development Corporation, based in Bangor, also received a $400,000 grant.

Guilford Bicentennial observance continues June 11

GUILFORD – On Saturday, June 11 the town of Guilford’s Bicentennial celebration continues as Maine Highlands Federal Credit Union, Guilford Memorial Library and Fresh Air Dogs provide activities throughout the day.

Starting at 8 a.m., Maine Highlands Federal Credit Union will host “Breakfast by the Bridge” to honor the town’s 50th birthday. Over $16,000 will be awarded to local food cupboards in a presentation at 9 a.m.

Moving to the athletic field area at 10 a.m., Fresh Air Dogs will sponsor a pet fair with a wide variety of pet-related activities until 4 p.m.

The schedule includes:

- Maine Highlands Sled Dog demonstration, 10-11:30 a.m.
- Rabies and microchip clinic, 11 a.m. – 1 p.m.
- Rally demo, hosted by Foxcroft Agway, 12:30 – 1:15 p.m.
- Clicker training demo, hosted by Fresh Air Dogs, 1:15 – 1:30 p.m.
- Darling’s Ice Cream truck, 1:30 – 3:30 p.m.
- The “pup strut,” hosted by the “pup strut,” hosted by Fresh Air Dogs.

Almost Home Rescue and Catahoula Dog, 1:30 – 2:30 p.m. All leashed pets are welcome to attend.

There will be a free lunch of sandwiches, burritos and wraps served for kids age 18 and younger, courtesy of a Dynamic Learning Event Center.

For the readers in the family, the Guilford Memorial Library is hosting a Maine Authors “Meet and Greet” from 11 a.m. to 1 p.m. At last count, 18 Maine authors will be selling and signing their books.

On Saturday, July 30, the annual Riverfest Celebration will be better than ever with more bicentennial activities, a fabulous parade and spectacular fireworks plus a few surprises.

For more information and updates, visit the Guilford Maine Bicentennial Facebook page.
Highview Christian student wins Maine Constitution Essay Contest

AUGUSTA - Secretary of State Matthew Dunlap has announced the winners of the 2016 Maine Constitution Essay and Poster Contest.

Kiley Eckenstein, an 11th-grade student in William Prest's class at Highview Christian Academy in Charleston, took first place for her essay “Making Your Voice Heard.”

The theme for grades 9-12 in the essay contest was “The Importance of Voting and Democracy.”

Kiley’s article traced the evolution of voting in America from the days when only “white male owning property” could cast ballots to 1920 when women were granted the right to vote and 1972 when the legal voting age was lowered to 18.

“Today, an example of this tradition of voting and democracy in Maine can be seen in the traditional town meeting,” she wrote. “But even with the town meeting, too many Mainers do not vote. People have forgotten that too many Mainers have fought powerful nations and sacrificed for democracy, which depends on voters. For a democracy to work, every person has to get involved in voting. Voting makes a democracy work and helps preserve democracy for others.”

Dunlap described the contest as “a great opportunity for students to reflect on the wide spectrum of Maine’s identity, from our traditional industries to the iconic animals that roam our woods and waters. We congratulate the winners and hope that all of the students gained a deeper appreciation for their state through their participation.”

Rylee Bellemare, a seventh-grade student in Helen Beesley’s class at Windsor Elementary School, received top honors in her age group for her essay titled “Parks and Recreation.”

The poster contest, open to students from kindergarten to grade 5, is broken into two categories, with a theme of “Maine Symbols” for grades K-3 and “Maine History” for grades 4-5.

Jade L. Noel, a kindergarten student at Jameson Elementary School in Old Orchard Beach, received top honors for her symbols poster with a four-season theme.

Rebecca D’Amico, a fourth-grade student at Belgrade Central School, took first place for her poster depicting Maine’s shipbuilding history.

Red Cross blood drives set for Dexter and Sangerville

DEXTER/ANGELL - The Red Cross has announced two blood drives in the Penquis region during the month of June.

Monday, June 20, Dexter Knights of Columbus, 173 North Dexter Road, 1-6 p.m.

Friday, June 24, Grace Bible Church, Sangerville, 10 a.m. – 3 p.m.

Blood supplies are traditionally low in New England this time of year due to vacations, so donations are strongly encouraged and appreciated.

For an appointment, call 1-800RED CROSS (1-800-733-2767).

Three Rivers Kiwanis Annual Auction and yard sale June 23-24

MILO - The Three Rivers Kiwanis Club of Milo-Brownville will host its Annual Auction/Yard Sale on June 23 and 24.

The yard sale will run from 10 a.m. to 5 p.m. each day and the auction will start each evening at 5 p.m. and run until 9 p.m. The food window will be open during the auction and the club will be selling red hot dogs, hamburgers, homemade fries, doughboys, and beverages.

This is one of the Three Rivers Kiwanis Club’s largest fundraisers each year; so all donations are greatly appreciated.

If it’s time to clean out your barns, garages and attics, call Bobby Ellisin to pick up the items that you want to donate to the event. He can be reached at 943-2317 or 279-0481.

The Eastern Gazette welcomes Letters to the Editor from readers in our coverage area addressing issues of local public interest. All letters must be signed with town of residence noted beneath the signature, and a daytime telephone number provided for verification purposes. Letters should be 200 words or less; letters without verification information, or letters that are not addressed exclusively to The Eastern Gazette, may not be considered for publication. 

Partisan political letters will not be published in the final edition of The Eastern Gazette prior to any election. All letters will be considered based on space available, standards of taste, and libel. Editing for space and clarity will be at the discretion of the Editor. Letters may be e-mailed to news@eastern Gazette.com or mailed to 97 Church Street Dexter ME 04949. Letters must reach The Eastern Gazette by 5pm Monday for consideration for Friday publication.

...No on 1... Yes on 2...

To the Editor:

When we vote on the School Budget Tuesday the 14th there is a second question on the ballot. It asks “Do you wish to continue the budget validation referendum process in Maine School Administrative District No. 46 for an additional three years?”

The Referendum is when we get to vote on our town voting place and cast a private ballot for or against the School Budget. The is the only time many of the people who will have to pay the taxes to support the school budget get any say in how their hard earned dollars are spent. It is our chance to have a say in how a small number of voters control such a large part of the property taxes we pay is wrong.

Please vote yes on Question 2.

Dear Thomas

Ripley

budget struggles...

To the Editor:

I am writing as a concerned parent of two students attending SAD #4. They have been fortunate to have highly qualified teachers and many educational opportunities available to them at our local schools, and I urge all our residents to vote “Yes” on the proposed budget June 14th.

I have come to see the current budget as the best option for our students, as well as for our hard working taxpayers. For months I attended Budget Committee meetings and urged its members to consider cuts in areas not directly impacting the classroom. Instead, they have added an additional $1 million to the budget. This will result in a tax increase of $27 per student.

Additional money was added to the Regular Education Cost Center; its intent was to restore two PCSS positions in Health and PE back to to full-time for the fall of 2016. OBITUARY

LOIS EDITH “MIMI” CRAWFORD (GORDON)

BRUNSWICK and DEXTER - Lois Edith “Mimi” Crawford (Gordon), 67 years old, passed away peacefully with her loved ones by her side on Monday, May 30th 2016 at the Brunswick Mid Coast Hospital. Her valiant fight against breast cancer, which began in 2013, went into remission and returned in December 2015. Her strong will to live, her unwavering faith in the Lord, continuous love and prayers from her family, friends and her many Facebook Prayer Warriors carried her through her six month battle. Lois was born May 24, 1949 in Dexter, Maine. She is predeceased by her parents, Donald and Hazel Gordon. Lois graduated from Dexter High school in 1967 and later obtained an art degree at UMA. In 1970 she was married and moved to Topsham, Maine where she raised her three daughters Heidi, Suzanne and Stephanie Osborne. In 1985 she met James Crawford, the love of her life and soul mate who moved in next door from California with his two children, Scott and Shelley. They were married six months later and the two families became united. Jim and Lois became one as they shared an undying love unfazed by any and all trials or tribulations they endured. They celebrated their 30th anniversary in February with family and friends by renewing their wedding vows. Lois enjoyed art, as an artist and teacher, genealogy and photography. She enjoyed travelling with her husband and being with her family. Lois is survived by her beloved husband, four daughters, Heidi, Suzanne, Stephanie and Shelley, and one son, Scott. She has been blessed with 9 grandchildren, Jeffrey Crawford, Nick Osborne, Samantha and Sarah Smith, Hannah Hamblin, Reilly and Cameron Rafford, Lauren and Ally Cohan and one great-grandchild Linda Crawford. She has a special niece, Liz Pereira, who was like a daughter.

They celebrated their 30th anniversary in February with family and friends by renewing their wedding vows. Lois enjoyed art, as an artist and teacher, genealogy and photography. She enjoyed travelling with her husband and being with her family. Lois is survived by her beloved husband, four daughters, Heidi, Suzanne, Stephanie and Shelley, and one son, Scott. She has been blessed with 9 grandchildren, Jeffrey Crawford, Nick Osborne, Samantha and Sarah Smith, Hannah Hamblin, Reilly and Cameron Rafford, Lauren and Ally Cohan and one great-grandchild Linda Crawford. She has a special niece, Liz Pereira, who was like a daughter. She is also survived by three siblings: Thomas Gordon and wife Rosalie, Donna (Gordon) Patterson and husband Charles, and Sandra (Gordon) Thomas and husband Richard. There was a celebration of life for Lois on Saturday June 4th at the Church of the Nazarene, 94 McKeen St., Brunswick at 1:30 followed by a service at 3:00. In lieu of flowers, donations may be made to the Dempsey Center for Cancer, Hope and Healing, 29 Lowell St, Lewiston, ME 04240.

Smith Memorial Service

Smith - The family of Alan and Mildred Smith of Exeter and Corinna, invite you to join us in a memorial service honoring their lives. We request you bring your thoughts and fondest memories of Alan and Mildred. Services will be held in Exeter on June 18th at 4:00 PM at Cornerstone Baptist Church. Potluck reception to follow.

In Loving Memory of Albert “Buck” Lagasse
December 18, 1929 - June 9, 2012

Forever Loved by,
Wife Elda
Son Glen
Daughter Janet
Grandchildren and Great Grandchildren

Thank You

I, Tina M. Gilbert, would like to thank each and every one of you for the outstanding attendance to the celebration of life for my late husband, Millage C. Gilbert. There were 200 plus people in attendance. Too many to list, it was amazing. There were many people that sent or brought cards of condolences. To all the people who gave cards and for the money that was put in some of those cards. Greatly appreciated.

To my coworkers, supervisors, friends, neighbors, businesses, and of course, the entire Gilbert family, who have been absolutely wonderful with their help and support and all of their, “if there’s anything I can do’s”.

Also to all the people who brought or sent from KC’s, Robinson’s, Parkman Baptist Church, Guilford School and everyone else.

A huge thank you from Millage’s parents, Merle Sr. and Jeannette Gilbert and the entire Gilbert family. Millage will be greatly missed by all who knew and loved him. Thank you all so very much. God bless each of you.

In Loving Memory

June 13, 2011
A Date Forever Remembered

This is the 5th anniversary since you were taken from us. Missing you so much still brings tears to our eyes. We embrace the many happy memories. Sharing them reminds us the significance that we hold in all our lives. As you live on in heaven you live on in our hearts.

We think of you with love today. But that is nothing new.
We thought about you yesterday. And days before that too.
We think of you in silence.
We often speak your names.
Now all we have are memories.
And your picture in a frame.
Your memories are our keepsake.
With which we’ll never part.
God has you in his keeping.
And we have you in our hearts...
So our family chain is broken.
And nothing seems the same.
But as God calls us one by one.
The chain will link again....

We love and miss you everyday.
Your loved ones.

Nicholas Fusco will be joining our growing Northwoods healthcare team. Nick has always been a Pennsylvanian, but is happily relocating to Maine.

Orthopedic surgery and clinical cardiology are areas he’s spent more than a decade in, now he’s anxious to return to full-time, rural, family medicine.

When not working, Nick has three passions: cooking, scuba diving, and outdoor sports. Upon arrival, he’ll be looking for scuba buddies and maybe professional opportunities, as he is a DiverMaster. Perhaps the most exciting adventure for Nick will be exploring the woods and waterways of Maine, in the pursuit of fish and game, different from his experiences in Pennsylvania. Nick also loves to travel and will be taking his vacation time trying to explore the world and visit his family in Pennsylvania.

LOW-COST INSULATING WINDOW INSERTS MAKE SENSE

by Leslie Fernow

DOVER-FOXCROFT - After last year's successful Dover-Foxcroft Window Dressers community build, volunteers in the Dover-Foxcroft region are again making appointments to measure windows for cost-saving insulating window inserts. “If you live in a home with windows that are older than 15 years, you can benefit,” says Steve Jackson, local builder and strong advocate for the program. Last year's build involved 54 volunteers who measured and built over 250 inserts for 27 people/families. Reports from satisfied customers confirm that the inserts provided reduction in draft through old windows making it more comfortable to sit nearby, reduced heat loss and reduced road noise for some customers whose homes are on busy roads. Many are requesting more inserts this year.

Window Dressers is a five-year-old non-profit supporting barraiser-like Community Builds in local communities in Maine, gathering neighbors to help neighbors build the inserts. The local group, organized under the leadership of the Maine Highland Senior Center area and the Charlotte White Center/Thriving in Place Project, is eager to help local families reap the benefits of this fabulous community project. "This is a project that not only helps our friends and neighbors save money in the heating season, but it is an opportunity to build community and reduce CO2 generation" says Dr. Lesley Fernow, organizer and volunteer for the local effort.

"The biggest lesson from the first year's build was that people really had a good time and many have said they would love to help again this year! Now that we know how to do it, things should be even better this year," says Fernow.

Residents in Dover-Foxcroft, Dexter, Sangerville Miles or Guilford can sign up to have their windows measured by local volunteers and then help make the inserts at the Community Build in Dover-Foxcroft. WindowDressers inserts can lower heating bills by as much as 25% and help the environment by lowering CO2 emissions levels by the same amount.

Inserts are custom measured and cut, then wrapped with clear polyolefin film and shrink wrapped on both sides to create clear views through an insulating dead-air space. Foam weather stripping around the outer edges stops drafts and gives the insert a clean custom fit. Window experts have said that when combined with a good storm window, this is more effective than replacing old windows with new, expensive, double-pane windows, and is a fraction of the cost. Each step of the assembly is done by local volunteers who can be taught at the time to perform their individual task.

Inserts cost an average of $2.21 per square foot, and are available

Low-Cost from Previous Page

in white or natural pine finish (white finish is an additional $4 per unit). Homeowners can usually recoup their investment in the first year with savings on heating fuel. Special pricing is also offered to low-income residents.

The group is also interested in recruiting people who will help with the community build scheduled for the week of, November 14-18 at Central Hall in Dover-Foxcroft. We will need help with the build itself, calling volunteers, providing food and snacks for the work teams. Everyone can help in some small way.

Anyone sign up for window measurements or to volunteer by calling (207) 596-3073, on their website, www.windowdressers.org, or by email at info@windowdressers@gmail.com, or call Lesley Persue 992-6882. They will also have a table at the Whoppie Pie Festival (at the Historical Society building) for anyone who wants to see a sample window and sign up there. There will be a limit of 300 inserts for this year’s build, so it is essential to get your name in soon if you don’t want to be “left in the cold”. A local measuring team will contact you.

THANK YOU for making us your 1st Choice Florist!
**HONORING PALMER AND THOMPSON** - The Sarah Elizabeth Palmer Tent #23, Daughters of Union Veterans and the Daniel Chaplin Camp #3, Sons of Union Veterans held a joint memorial May 28 to honor two Dover-Foxcroft residents who served during the American Civil War. Sarah Elizabeth Palmer left her home in 1862 to volunteer as a nurse for the wounded in Washington DC and Alexandria, VA. She served directly under Dorothea Dix along with hundreds of other women from the north until the end of the war. The SUV honored Dr. Elbridge Thompson, a Foxcroft Academy graduate who enlisted at the outbreak of the War. He was attached to the 12th Regiment of Maine Volunteers and saw action in the Shenandoah Valley and from Vicksburg to New Orleans. For three years Dr. Thompson treated the wounded and witnessed the worst conditions imaginable for a medical healer. He served until December of 1864 when he was transferred to the Provost Marshal’s office in Bangor until the close of the war. He then returned to Dover and resumed his private practice, along with becoming very active in the community. Attending from the DUV and SUV were Molly and Eric Bennett, Toni Snyder, Jennifer Sylvain, Linda Tozier, Carmen Smith, Tootie and Wayne Bennett, Jim and Mary Annis. For more information about joining the Daughters of Union Veterans contact Estella Bennett at 876-8073.
HELPING HAND – Foxcroft Academy has presented a check for $1,500 to the Bourget/Boone family of Dover-Foxcroft to help them recover from a fire that destroyed their home last month. “We live in a special community,” said Head of School Arnold Shorey, during a recent school assembly. “When someone is in need, the community rallies to help. It’s what we do.” A benefit supper was also held at the academy to assist the family on May 23. Pictured are Shorey, right, presenting the check to Lisa Boone, who is also a member of FA’s staff, with juniors Alii and Abbi Bourget looking on. (Foxcroft Academy photo)

June events at Thompson Free Library
by Kim Brawn

DOVER-FOXCROFT - We are gearing up for summer at the Thompson Free Library and our focus is on kids. We’ve come up with many fun programs that will keep their minds and bodies active and engaged. Kids can channel their inner scientist as Maine Mathematics and Science Alliance STEM Guide Alicia Millete teaches them how to use different types of microscopes, including a digital one. This program will be held on Saturday, June 25 at 10 a.m.

Mark your calendars: registration for the children’s summer reading program begins on Tuesday, June 28. This independent reading program (featuring incentives), is open to ages 5-13, and runs through August. Kids must read for at least 15 minutes a day for at least 30 days throughout the summer. The Summer Program Series (for kids) kicks off on Wednesday, June 29 at 11 a.m. at the library with Yoga for Kids presented by Dover-Foxcroft’s Color of Life Studio. A different program will be offered every Wednesday through August 3. That same day, Wednesday, June 29 from 11:30 a.m. - 12:30 p.m. the Thompson Free Library will be giving out free bag lunches to anyone under the age of 18. This summer lunch program, in partnership with SeDeMoCha and the Department of Education, will be offered every Wednesday and Thursday through August 4. If weather allows, it will be held outside; otherwise, it will be moved to the library basement.

Keep in mind that the library’s regular children’s programs remain ongoing. Librarian Michelle Fagan hosts Storytime each Thursday at 10:30 a.m. and Legos at 3:30 p.m. on the second and fourth Tuesday of the month. For more information on any of the programs (which are all open to the public) mentioned, please contact Thompson Free Library (186 E. Maine Street, Dover-Foxcroft) at 564-3350, df@thompson.lib.me.us, or follow us on Facebook.

poor. Not only that, we have a lot of senior citizens living in Dexter, many of whom are on Social Security. There was no COLA (Cost of Living Adjustment) for them this year, and there wasn’t any last year either!

The proposed town employee raise increases are between $1.00 - $2.50 per hour for hourly employees, and between $200.00 - $124.00 weekly for salary employees. This is on top of the regular costs of running the town, and the extremely expensive school budget. As it is, the councils have been trying hard to find ways to cut the town’s budget. Several of them are some of the proposed raises. See for yourself.

One employee’s proposed raise is $6,577.00 (21.8%) and if the stipend of $5,300.00 goes into effect, that amount will increase to $11,877.00 (39.4%) for that one employee!

A proposed raise of $1,060.00 for a department head already earning $51,441.00, plus $5,300.00 stipend for a total increase of $6,360.00.

A 23% proposed raise, in the amount of $5,300.00 for a newer employee working in the office, which would be an hourly raise of about $5.50 per hour.

In one department, proposed raises range from $1,113.00 to $2,286.00 per employee.

Another proposed raise for an employee is $1,060.00 at a 4.85% increase.

A proposed raise for an employee of $4,240.00 at a 12.94% increase.

A proposed rate of $2,120.00 for an employee at a 8.83% increase.

A proposed raise of $2,120.00 at a 6.0% increase.

Even the town manager, who earns $61,939.00, requests a raise of $1,060.00.

All these raises, and not a penny budgeted for economic development, to try and bring jobs to our community. In fact, the $1,000.00 that was in there, was removed and it was decided, to the dismay of one of the councils, not to put any money into economic development. It is my opinion that these proposed huge raises be put on the back burner for now, or significantly reduced until the general population is receiving more income as well, and more businesses are in place to help offset the burden of taxes on the citizens of Dexter. This is all public information. If you want the proposed numbers you can get them from the town office. Anyone concerned with this matter should please contact their councils.

Mike Blake (924-5567); Fred Sherburne (924-3831); Mark Robichaud (924-3102); Alan Wintle (270-6511); Ron Apel (924-0181); Marcia Delaware (924-6228); Sharon Grant (924-5012); Town Manager, Shelley Watson (924-7451).

Also, please attend the town budget hearing on Monday, June 13th at 5:00 p.m. in the town chamber to let your voice be heard. Pearl Wintle.

Dexter.

... “NO on Question 1…”

To the Editor: All too often small community elected representatives such as the Board of Select Persons are under appreciated for all their hard work, time and effort that they put in to represent their municipalities. People today are too quick to criticize how their money is spent but do not take the time and effort to attend the School Board meetings, so their concerns can be heard. It falls on the shoulders of a hand full of elected officials to try to persuade the School Board to determine where taxpayer dollars should be appropriated.

If you, as a taxpayer, in the SAD #46 school system are not satisfied with your current tax bill, then now is the time to notify your School Board to voice your opinion before it’s too late. The only way to see a tax relief is to vote NO on Question 1 against this year’s proposed budget. It will then be sent back to the School Board to be reworked in order to find more savings to lower taxpayer’s property taxes.

Andrew Sevey
Sandy Blaney
Dean Peasley
Select People of Ripley
