## Celebrate the Grand Lady of Moosehead Lake - the SS Katahdin

By Shelagh Talbot

GREENVILLE - Come celebrate the 100th birthday of a grand old lady - a steamship nicknamed the Kate in Greenville. This venerable craft is officially known as the Katahdin and she sails the waters of Moosehead Lake every summer. Her birthday celebration takes from August 13 - 17, beginning with a presentation on the role of steamboats during the years when the logging industry was humming.

The Kate has had quite a history - her original wood hull burned and that inspired her owners, the large tourist resort at Mt Kineo, to commission a young shipyard, BIW, to build the steel hull. It was brought in sections, first by train and then by hauled by teams of oxen to East Cove where the new hull was installed. By the late 1930s many families had their own automobiles and of all the steamships that plied the waters, only the Kate was left. Her engines were converted to diesel and she became a work-horse - towing huge rafts of logs up and down the lake. Her beautiful seating area languished. In 1975 she was a participant in the last log drive in the United States. Conservationists had deemed log

DEXTER/NEWPORT RAILROAD DISCUSSION - A standing room only audience at the Abbott Museum in Dexter recently listened as Lenny Wallace explained the history and operation of the Dexter/ Newport Railroad. This railroad, which began in 1869, was very successful and consisted of a large number of buildings located on Railroad Avenue. Nothing remains to indicate that this was once the bustling site of a prosperous business venture.

**KATE** from Page 1

drives bad for lakes and rivers so in August of that year, the Kate worked for the last time, towing rafts that were acres and acres of four-foot logs chained together by log booms. It was quite an event and photographs of the Kate, diminutive in relation to the huge islands of logs, are on display at the Moosehead Marine Museum.

When the Moosehead Marine Museum was founded in 1976, a year after the last log drive, the Katahdin was acquired as the star exhibit. From the start, considerable sums of money had to be raised to repair the Kate and turn her into the cruising vessel she is today. With a maximum capacity for 225 people, the Kate provides the perfect venue for a leisurely cruise on Maine's large-

est lake.

Don't miss out on the fun during this special time! The logging presentation at the Center for Moosehead History, located at 2 Lakeview Street in downtown Greenville starts at 7 p.m. on August 13. Two days later, Friday Aug. 15, the Moosehead Yacht Club will hold a boat show and parade in East Cove, near the Kate's berth. The show promises to be special this year. According to Juan Galan, Vice Commodore of the Club, "It is expected that we will have many antique boats on display... but with some centennial gems as well, floating or on a trailer." For info visit their website at [www.mlyc.com](http://www.mlyc.com). Best of all, the Kate will lead this exciting centennial parade.

On Saturday she will be hon-

ored at a public Birthday Celebration, with events happening all day, concluding with a gala of fireworks over East Cove. Sunday, Aug. 17, look forward to a Family Brunch. Even if you cannot make this event, the Kate sails on into autumn bringing spectacular foliage cruises. For information about all these events contact the museum at [www.katahdincruises.com](http://www.katahdincruises.com) or call them: 695-2716. Liz Cannell, Executive Director of the Moosehead Marine Museum is very busy with all the preparations. "Come to Greenville and join the special centennial celebration if you are able. It's a once-in-a-lifetime event, and everyone is invited," she said.

## In Loving Memory of Our Son

**Ryan Webber (4/8/77 - 8/9/08)**

Six years have gone by but not one day have our hearts not ached for you. The day you were taken from us left such a hole in our hearts.

We miss your hugs, your laughter, and that smile of yours.

We see a lot of you in your son. What a precious gift you left us. Colton

looks so much like you. He has the love for people, always wanting to make friends. His laughter is his daddy's. Dad and I know you are smiling down on him with so much pride.

Having our grandsons and knowing you're with us is getting us through our pain. Until we're together again that pain will never stop nor will the tears dry. Holding you in our hearts forever.

Love you,  
Dad and Mom

## Obituary

KEVIN L. BUBAR

DOUGLAS, WYOMING - In the early morning hours of July 28, 2014, Kevin L. Bubar passed away unexpectedly at his home here, of a heart attack. He was 47 years old. He was the first child of Gordon C. and Marnelle Bubar of North Haven, Maine. He was born in Pittsfield, Maine, on December 8, 1966. Kevin was educated in Dexter schools until the age of 14, when all he really wanted to do was work with his Dad in the woods business. He was licensed at the age of 15, to drive large trucks, which he did up until the time of his death. He was a professional at it! He was always in the woods business until he went to work in Douglas, Wyoming a couple of years ago. There he worked for a couple of companies, the later being Phillips & Jordan Co., hauling equipment and machinery on a low bed trailer. Throughout his life, he could and had operated any type of machinery. Without question, the greatest moment in Kevin's life was the birth of his son Devin, on August 28, 2001. Kevin was the proudest dad and Devin was the number one priority above everything and everyone else. Secondly, he enjoyed going fishing with Devin and riding his new motorcycle. Besides his son, Devin Alexander Bubar, Kevin is survived by his parents, his brother Travis M. Bubar and his fiancée Shawanna Burrill, all of North Haven; his sister, Amanda Frankowski and her husband Aric of Punta Gorda, FL; nieces and nephews, Maranda and Jasmine Bubar, Jessica and Logan Frankowski; uncles and aunts, Daryl and Sylvia Bubar of Fair Oaks, TX, Florence Leavitt of Ripley, Randy Madore of Newport, Myrna and Dale Duplissa of Burnham; Patty Miles of Guilford who had become a very special person in Kevin's life, as well as many cousins, extended family, co-workers and friends in Douglas, WY and Maine. Friends and relatives are invited to visit from 10:00 to 11:00 A.M., Saturday, August 16, 2014, at Burpee, Carpenter & Hutchins Funeral Home, 110 Limerock St., Rockland, where a gathering of remembrance will begin at 11:00 A.M. The Reverend David Macy will officiate. Interment will be in the Shuman Cemetery, Washington Road, Waldoboro. In lieu of flowers, memorial donations may be made to a scholarship fund being established for Devin's benefit. Address information will be published upon completion. To share a memory or condolence with Kevin's family, or to view web-cast of the service live, please visit his Book of Memories at [www.bchf.com](http://www.bchf.com).
