There are some very exciting additions to this years River Festival.

Watch for the Tsunami! Ride the wave on this huge water slide. Surf down 60 ft. through the white water and plunge into the tidal pool at the end. This is the tallest, fastest, most adventurous

water slide in Maine! BEWARE!! The water slide and the traditional bounce house will be open all day.

Welcome to the
Piscataquis Riverfest

MAIN PLANT:
165 Main St., Sangerville 876-4412

THE STILLWATERS BAND was formed in March 09 and took on the Downeast Music Scene with a big bang. These guys play all the Country Hits. They are not your average Country band. They don't play the old country. They play what some call the Modern Country, Rock Country and New Country. These guys call it Kick A** Country!!! If you are listening to what is now playing on Country Radio and liking it, then you will really like The Stillwaters Band. They cover these Country Hits, plus some southern/classic rock and blues is on their playlist. They also perform a few of their own original songs (while working on several more). Members include, Chris Beal (lead vocals), George Gardonyi (bass guitar and vocals), Steve P. (lead guitar & vocals) and Roger Treadwell (drums). They are a group of very talented artists and musicians. They each come with amazing resumes along with several different awards! Every member of The Stillwaters Band appear on stage with only one concern...making sure everyone has a ROCK'N GOOD TIME!!!!

The annual duck race will launch at 3:00. You can get duck race tickets at Key Bank, The Red Maple, and Forget Me Not Flowers.
